GUEST SPEAKER:

-Sandra Gottlieb, Esquire
Swedelson and Gottlieb

With state laws changing constantly Board of Directors must always consider whether or not the Association's governing documents need to be updated. This seminar will answer many of those questions and more.

Some of the topics to be addressed include:

- What do the governing documents consist of?
- Should you or should you not amend/revise your Association's governing documents?
- Benefits of keeping documents up to date.
- The amendment process.
- The approval process.

This mini seminar will be for approximately one hour followed by a question and answer period with our expert. Seminar is free and refreshments will be served. Make a reservation via email at office@tmamulti.com or by calling our office at 209-544-3422.
